Simple elegance will make your wedding day an occasion to remember

Whether it be the ceremony, the reception, or both, the Shields Room is the perfect venue for all sizes of weddings. The room can be set in a variety of ways to accommodate your needs. Wall coverings are a rose tone with plenty of gold accents and blinds are a deep forest green. Chairs can be covered to blend with your wedding colors if you so wish. See our Facebook page for examples of what other couples have done to decorate.
